Lesson 10

WHO IS THE HOLY SPIRIT- Part 2

Aim: To teach the believers the biblical teaching about the person and work of the Holy Spirit.

Introduction:

Why do we have to study the doctrine of the Holy Spirit? For several reasons:

1) There is a misconception that the Holy Spirit is just a force
2) He is not divine.
3) There is no trinity in the Bible.

In this lesson, we would like to go to the Word of God, the final source of authority and discover by ourselves the true teaching about the Holy Spirit.

From our previous study, we have learned that The Holy Spirit is a person. Several characteristics of a person are evident in the Holy Spirit. The Holy Spirit has a will, emotions, intellect and the presence of the personal pronoun “He” and “Him” are enough evidences the person and the deity of the Holy Spirit.

IN RELATION TO JESUS CHRIST

1. **He was <u>sent</u> into the world by the Holy Spirit along with the Father.** ***Isaiah 48:16,17***

2. ***He was <u>conceived</u> or begotten by the Holy Spirit. Luke 1:35, 37 , Matt. 1:18, Matt. 1:20***

3. **His <u>reception in the temple was arranged</u> by the Holy Spirit.** ***Luke 2:25-30***

This is a remarkable passage in relation to the ministry of the Holy Spirit as he witnessed to Simeon and then arranged the fulfillment of His prophecy to that old saint.

4. ***His <u>growth</u> is attributed to the Holy Spirit. Luke 2:40, Luke 2:42 , Isaiah 11:1,2***

5. **He was <u>led</u> by The Holy Spirit <u>into the wilderness</u> to be tempted by the devil. *Matt. 4:1, Mark 1:12,13***

Edwin Palmer comments that:

"The clear indication, therefore, is that the Holy Spirit not only led Christ into the wilderness, but that all the time Christ was there the Holy Spirit was with Him, guiding and helping Him overcome temptations…it was by means of the Spirit that Jesus' human nature was given the strength to overcome the severe temptations placed before Him."

The verse of Luke 4:14 gives us a clear explanation.

6. **The Holy Spirit <u>anointed Jesus</u> with power for His ministry. *Matthew 3:16,17***

The bestowal of the Holy Spirit upon Jesus was for the purpose of officially equipping Him for His public ministry.

a. *Preaching ministry*. Luke 5:14,15 , Matthew 4:17, Luke 4:18

b. *Healing ministry*. Acts 10:38

c. *His casting out demons*. Matthew 12:28, Acts 10:38, Isaiah 61:1

7. **He was <u>enabled</u> by the Holy Spirit to <u>offer the necessary sacrifice</u> for sins. *Heb. 9:1***

Guy Duffield comments:

"This passage indicates that the perfection of Christ's sacrifice, the proper, obedient, loving attitude, was made possible by the Holy Spirit. 'who, through the eternal Spirit offered himself without spot to God.' The Spirit enabled Him to offer a perfect sacrifice in the attitude that was acceptable to God"

This is not to undermine the person of Jesus but to see that the Godhead is working together in unity.

8. **He was <u>raised from the dead</u> by the Holy Spirit. *Romans 8:11***

9. ***<u>Christ gave commandments to His Apostles</u> through the Holy Spirit. Acts 1:1,2***

Van Cleave comments;

"The Holy Spirit is so vitally connected with the ministry of the servants of the Lord that it seems quite fitting that it should have been He who inspired the Lord Jesus to give commandments to the disciples as they were being sent forth. As the Spirit guides each Christian today in the service of the Lord, it is blessed to realize that it is the voice of Jesus talking to them…The church is not dependent upon the bodily presence of the Lord in order to be led by Him. Such leading is accomplished by the Holy Spirit."

CONCLUSION:

Now we see through the evidence of the Scriptures how the Blessed Holy Spirit functions as a Person and

how he works harmoniously as member of the Godhead. His work in relation to the Lord Jesus is foundational to the Christian faith and a good way to validate that what we believe is TRUE. See you next One Life. God bless.
